City of Muskegon Garbage Cart Delivery Schedule

Beginning December 10th, Republic Services, the City of Muskegon's Solid Waste Collection provider, will be delivering a new 95-gallon cart and removing the old 65-gallon cart from City of Muskegon residences. The work will be performed on your normal pick-up day according to the schedule below. A new cart will only be delivered if there is an old one to be removed. Therefore, please have your carts out for collection by 6am whether or not they are full as we will not enter private property. It is anticipated that we may be working as late as 7pm so please leave your cart out until that time.
